

LOCKERS for 2017

At Elizabeth College we have three types of lockers that students can use:

- **Metal Lockers: Small (size):**
Students bring a lock along and can use these lockers for free
- **Wooden Lockers: Large (size): cost \$21.00**
A combination lock is provided
- **Wooden Lockers: Extra-large (size): cost \$32.00**
A combination lock is provided

If you would like to hire one of the **wooden lockers** please email elizabeth.college@education.tas.gov.au by the end of January.

In the email please tell us:

- **Your full name**
- **Year level in 2017**
- **If you would like the large or extra-large size.**

Your Home Group teacher will give you the location of the locker and the combination in your first Home Group session in 2017. You will be invoiced at the same time as your levies for the cost of the locker and a \$10 refund will be provided when you return the combination lock, in good order, to the office at the end of the year.

Please note that if you do not send an email you may still be able to get a wooden locker by going to the college office in the first week of college.

Please note:

- If the location of the locker provided for you is not located where you would like it to be you will need to organise your own swap once school begins.
- Due to the limited number of wooden lockers we cannot guarantee that everyone who wants one will get one, they will be allocated in order of first to email gets first preference.
